Imagine living a short walk from some of the best hunting and fishing grounds in Canada. What about racing across miles of open tundra on your quad or snow machine? Sound like your ideal location? What if your position also had a flexible work schedule? Would you like to work for a company that believes the red tape should only be on presents? Interested? Then we may have the job for you...

The **Kitnuna Group of Companies** is experiencing a period of growth and expansion. Therefore, we are looking to add a number progressive thinking, long term employees to our team. A heavy industry company, Kitnuna manages to put safety and people first, while dealing with the logistics of working in remote locations across the high arctic. As an Inuit-owned company, Kitnuna balances the challenges of operating in the arctic with respect for the people and the land. Our bases of operation are Edmonton, Alberta and Cambridge Bay, Nunavut with work sites across the high arctic.

Under the direction of the Local Operations Manager, the **Shop Manager's** duties will include, but are not limited to:

- supervising staff (2-4 mechanics, plus support staff)
- ensuring Work Place Safety and Worker training programs are in place
- ensuring equipment is ready when required to meet operational needs
- work on vehicles (cars/trucks to excavators, rock trucks, generators, etc.) when required
- ordering parts and equipment, billing, inventory, scheduling

Requirements:

Journeyman Heavy Duty &/or Light Duty Mechanic must possess the following skills, experience and education:

- Red Seal Certification
- 5-7 years of experience with at least 2 years of supervisory experience
- Computer skills (at least basic knowledge of Word, email, internet, Excel)
- Ability to complete tasks on quote and on time
- Willingness to make work practice and operator safety a major concern
- Valid Class 3 driver's license

The successful applicant must be able to work under stress to meet construction deadlines and be willing to occasionally work in a remote camp.

This position will work out of Cambridge Bay, Nunavut.

Competitive wages and benefits packages offered based on experience.
